Professional Summary

Computer Science undergraduate at Lagos State University (LASU) with a strong passion for data analysis, technology, and solving real-world problems using data. Skilled in Python, SQL, Microsoft Excel, and Power BI, with a growing understanding of data visualization, database management, and statistical analysis. Experienced in academic and personal projects involving data collection, cleaning, analysis, and reporting. A quick learner with excellent analytical thinking, attention to detail, and problem-solving abilities. Committed to continuous learning and eager to contribute to a forward-thinking organization where I can apply my technical skills, gain practical experience, and help transform data into valuable business insights.
